WELCOME TO SAINT MARK UMC

A Place of Possibilities
and Transformation

Who are the people called Saint Mark?

The Saint Mark Church Family is a warm, loving and diverse church committed to teaching biblical truths in a practical manner. We facilitate spiritual growth through energetic worship celebrations, relevant and practical preaching, opportunities to serve, small groups, and exceptional music. Saint Mark UMC is a place of possibilities and transformation. We are one church in two locations.

What is our purpose?

Our mission is to reach all persons who know or need to know Jesus Christ through praise, fellowship, and empowerment as we grow and build for the kingdom.

Do I have to be a member to experience Saint Mark?

No. Whether you are seeking God for the first time, seeking God again after a time away, or seeking a closer relationship with God, Saint Mark is here to help you on your spiritual journey. We are a place where you can begin your own fresh start in life. You are invited to attend worship, take communion, and to participate in any event or activity that interests you. Come on –we have a seat saved just for you!

How Will I Make Friends Here?

Life Groups provide many opportunities for you to connect with others and to meet new friends. Life Groups consist of 8-15 adults who gather around a common interest to pursue spiritual growth and healthy relationships. You'll be encouraged to live out the truths you discover in the Bible, as you encourage others to do the same. Group members often build life-long friendships and celebrate the highs and lows and milestones in each other's lives. Life Group members really are **"Doing Life Together"**! Find out more about Life Groups by visiting www.saintmarkumc.com or by calling the church office at **(316)681-2214**.

What Do You Offer For Kids?

Flight Quest Nursery is a loving environment created especially for your infant (six weeks old) through preschool-aged children. We know that young children are learning and growing

in amazing ways. This ministry seeks to develop children socially, emotionally and spiritually. Flight Quest Nursery is offered during Worship Celebrations, most church events and church meetings.

Flight Quest Children's Ministry is gearing kids (K-5) to soar with Jesus. Flight Quest creates an environment where faith, imagination and learning go hand-in-hand. Children learn from dedicated and loving teachers as they are introduced to the heart and character of Jesus Christ. Most importantly, children are encouraged to come to know Jesus as their personal friend and savior.

What About Students ?

This movement is transforming lives of youth and setting a path for youth to know and love God freely. **CROSSOVER** provides an empowering atmosphere that helps youth build biblical principles to apply to their lives everyday.
